Trees: The Untapped Agricultural Asset

This informative day will look at various practical options for combining trees and food production. The meeting will look at ways of working with both new and established trees to optimise economic, environmental and social benefits. You will be given the opportunity to ask questions as to why and how and address the practicalities of setting up or making better use of the trees on your farm

**To be held at North Wyke Research, Okehampton EX20 2SB
Wednesday 10th March 2010, 10am – 4.30pm**
